

LEGO® Building Workshop for Young Creators!

Date: December 15

Time: 10:00 AM - 1:00PM

Ages: 7-13

Cost: \$35 (cost includes a custom minifig, snack and drink)

Capacity: 12 participants

Resource: Certified Teacher

Workshop Overview

This 3-hour LEGO®-building workshop is designed to inspire creativity and skill development in young builders, ages 7 to 13. With guided activities and fun holiday-themed challenges, participants will:

- ✦ Learn essential building techniques
- ✦ Work collaboratively with others
- ✦ Create and take home their very own LEGO® creation!

Agenda:

10:00 AM: Welcome & Introduction

- Meet the instructor and staff
- Fun icebreaker activity: "LEGO® Holiday Quiz"
- Overview of the workshop and group setup

10:30 AM: Building Challenge #1 – "My Minifig and I"

- Theme: Create a miniature scene for a custom minifig
- Kids design their own minifig and build a scene like a house or living room
- At the end, we'll capture a photo of each unique creation!

11:30 AM: Collaborative Build – "Teamwork Tower"

- Kids team up to build a collaborative structure, like a skyscraper or bridge
- Focus on teamwork, structure, and stability
- Friendly competition categories: tallest structure, best design, most creative use of colors

12:30 PM: Showcase & Awards

- Recognition for each participant's creativity and teamwork
- Opportunity to buy their scene as bulk.

1:00 PM: Wrap-Up & Store Tour

Parents are invited to join for a quick tour of the store and to view their child's creations!
